### Father's Day Thoughts

"Last night my little child confessed to me  
Some childish wrong;  
And kneeling at my knee,  
He prayed with tears:  
'Dear God, make me a man,  
Like daddy—wise and strong!  
I know you can!

Then while he slept,  
I knelt beside his bed,  
Confessed my sins,  
And prayed with low bowed head:  
'O God, make me a child,  
Like my child here—  
Pure, guiltless,  
Trusting thee with faith sincere."

## Johnson Bible College Camp Team to Visit

June 6, we will host a camp team from Johnson Bible College. They will share with us during the morning worship service. Housing is needed for two boys and two girls. If you have a spare room and would be willing to open it to a great Bible College student, let me know right away.

## Anniversary Sunday

June 27, Scottsville will celebrate her 49th birthday. The speaker is former minister John Jones. John served the church from 1978 to 1985. He now works with Hospice. I met John somewhere in the 80's when his son, Danny, and I were friends at Scenic Hills Camp. John has a wonderful heart for the Lord and I know we will be blessed. Following the worship, we will have a meal catered by Huber's Restaurant.

## Special Offering

Every year, we build our budget on 51 weeks of giving. This raises our weekly need, but it allows us to designate the offering on Anniversary Sunday as a Special Offering. This year, the board has set a goal \$14,000. \$7,000 will be put on debt reduction. This will bring our total debt on the FLC under \$200,000. The other \$7,000 will be used for some smaller projects around the campus. The main project is replacing the doors on the old Fellowship Hall.

Through the month of June, we will lead up to this special day by studying the book of Acts, with a series entitled, Foundations.

June 6—Faith (Acts 2:42-47)

June 13—Focus (Acts 6:1-6)

June 20—Family (Acts 15:1-21)

June 27—Anniversary Sunday

See ya Sunday,  
**Brian**

## ***Lanny’s Lines***

I am writing “my lines” to you on May 17th. While this is the Newsletter for June, there are still 14 days left in this month. I hope we will use them in such a way as to bring honor and glory to our Lord Jesus Christ.

A very important day on this month is May 31st. “Memorial Day.” On this special day we commemorate those lives who have paid the ultimate sacrifice for the freedom of our great nation. It is also a time when we decorate the graves of our family members who have gone home to be with the Lord.

Looking at the month of June, Father’s Day is on the 20th of the month and Anniversary Sunday is special for several reasons, i.e., a special offering is taken and our goal is the same as last year—\$14,000. One half of this will go to the debt retirement fund, which will get our balance on the FLC under \$200,000. The remainder of the funds will be spent on a variety of projects needed around the building and grounds.

Many other things to occur on this day will be a special speaker in the morning service. This year, Brother John Jones will be with us. John is a former minister of SCC and we look forward to hearing him.

There will also be a catered meal from Huber’s. It is our hope that all of you will be part of all these activities.

I want to close by offering our heartfelt sympathy to Roy and Fern McLain upon the loss of their daughter, Pam. Pam had battled Crohn’s Disease for many years and went home to be with the Lord this past Friday. Pam lived in Winchester, Ky. I have personally known Roy and Fern for over 55 years. Fern called Freda this morning and asked the prayers of the church. May God richly bless them during this difficult time.

Every Sunday

For Preschool thru Grade 5

We are kicking off a lot for the Junior High and Senior high this month, with tons of events, tons of chances to involve the community, and tons of ways to get connected with each other and with God.

In case you didn't catch in our last blog, we started things off with a change of name to get people excited about who we are and what we are doing here! So, we have called ourselves the Envision youth group. Envision, is the way in which we see ourselves - constantly seeking God, and seeking a relationship with Him.

There is never an end resolve to what we are doing until Jesus comes, so until then we search him out, constantly look toward and envision what is to come. "Where there is no vision, the people will perish." (Proverbs 29:18)

June continues the wrap-up of our 8-week series- The Fruits of the Spirit: where faith intersects. In this series, we are learning how to walk closer in the spirit, as God has called us. We will also be kicking off the new series entitled: "where the spears lay." We will be unpacking Romans in this four week series, learning all that God has for us to learn in the book of Romans.

Also, last month, we combined the girls and guys small groups in the Family Life Center, bringing together a stronger, close-knit family in Christ. This gives everyone a chance to get the same message, but this will still remain small group focused.

One of the biggest events coming up this month is Friday Night Live! Friday Night Live will be continuing **Friday June 4<sup>th</sup>** and will also be held on **June 18<sup>th</sup>**. This takes place twice a month, focusing mainly on outreach within the youth. There is food, games, music, a movie, and a message. This is mainly about getting others connected in the community, so bring your friends!

Probably the next biggest thing coming up in the youth is Scenic Hills Christian Camp. This year, we are kicking off the Junior High week **June 20-25<sup>th</sup>** and the High School week **June 27- July 2<sup>nd</sup>**. The title of Scenic Hills this year is Vintage Jesus. We will be taking an in depth look at who Jesus is, and what he really did. This will be a great opportunity for everyone to experience Christ in a very real, spiritual way.

Lastly, this month, we are hoping that there will be a serious step in forming strong adult leaders in the youth. We are looking for anyone who feels they are willing to jump into a great experience coming closer to God and the kids. The kids really need some strong leaders helping them grow and develop in Christ. If you would like to help out and get involved with our Jr. Sr. High Ministry, contact me at anytime at [brady@scottsvillechristian.org](mailto:brady@scottsvillechristian.org). We have a lot planned for the kids this month, and we hope to have a very exciting, inspiring month to grow in Christ Jesus. If you have any questions or concerns, contact me at anytime.

Thanks for all of your support!

*-Brady*
